essrs. W. S. Steel and  
Leonard Magruder,

Gentlemen:

You are hereby authorized and requested to be present and witness the deliveries between the operative officers and the Superintendent of the Mint of the United States at New Orleans at the close of the fiscal year .

You will note the character and quality of the various classes of bullion delivered and ascertain the amount of gold and silver wasted by the melter and refiner and coiner , respectively, since March 1, 1899 when the present melter and refiner entered upon duty .

If the wastage of either of these officers be unusual or excessive in silver or gold , you will endeavor to ascertain the cause thereof .

You will weigh and count the bullion in the possession of the Superintendent , and place the silver dollars on hand in the vaults , under joint seal of yourself and Superintendent.

When you have completed your duties you will submit a report in writing , giving in detail the result of the examination.

The Superintendent of the Mint at New Orleans will be
